EPSON®

Business Scanning Solutions

2024 Line Guide

Why Epson® Scanners?

Engineered to provide the reliability and compatibility that today's businesses demand, Epson's versatile scanner lineup features a wide array of mobile, compact, desktop, workgroup/high-speed, flatbed, large-format and photo-scanning models. These high-performance scanners make it easy to capture critical data and integrate it into business workflows. Maximize productivity and simplify file management with features such as fast one-touch scanning, automatic document feeders and wireless network connectivity—all from a world-class lineup of scanning solutions from Epson.

Compatibility with virtually any software

The majority of Epson business document scanners come with TWAIN and ISIS® drivers[1].

Reliability to keep your business running

Many Epson business scanners offer a 3-year limited warranty[2] with Next-Business-Day Whole Unit Exchange[3] and free shipping both ways.

Award-winning products from a leader in imaging technology

With an extensive lineup that includes a wide array of robust features at a great value, Epson gives you the freedom to choose the scanner that works best for your business needs.

DS-790WN
April 2022

Document Management Made Easy

Epson document scanners come standard with Epson Document Capture software for document management—ideal for capturing, enhancing and organizing electronic documents with ease.

Capture

Easily capture and store critical documents.

- Intuitive menus
- Built-in navigation tools
- One-touch operation to set up common tasks
- Scan to the cloud[4] — easily share and manage files (with the software loaded to your PC or Mac®)

Enhance

Improve image quality so information can be better utilized.

- Select text enhancement to sharpen scanned text and remove background
- Adjust the dpi settings to enhance or reduce image detail and file size
- Remove punch holes to recognize and delete blank pages
- Automatically rotate documents so they are oriented correctly

Organize

Easily create separate files from a stack of documents with page separation features including:

- Fixed page — when each document is the same size
- Blank page — set sensitivity detection to low, medium or high
- Barcodes — use with a wide variety of barcode types
- OCR — separate jobs based on text or numbers on pages

Seamless integration with industry-leading software solution providers

At Epson, we've partnered with over 70 leading software solution providers to ensure our scanners are compatible with a wide array of applications, representing a host of key industries.

Solutions for:

- Healthcare
- Education
- Finance
- Legal
- Government
- Real Estate
- Enterprise
- Retail
- Insurance

A Solution for Every Business Need

Mobile Scanners

These lightweight mobile document scanners let users scan documents, ID cards and more, whether working in the office or remotely. For even more flexibility, this versatile lineup includes wireless and battery-operated models for easy, efficient organization in virtually any setting.

Compact Desktop Scanners

These efficient scanners deliver performance and features that are comparable to traditional desktop document scanners, while saving up to 60 percent of desk space[16]. Get the most out of your workspace with a vertical paper feed system; single-pass, 2-sided scanning; an ADF; and remarkable media versatility—scan standard paper, cards and even passports[17].

Desktop Scanners

These fast, efficient scanners breeze through stacks of 2-sided documents, plus rigid ID cards, documents up to 8.5" x 240" and more. Designed for situations where speed is critical and dependability is paramount, these workgroup scanners offer world-class performance at competitive price points.

A Solution for Every Business Need

Network Scanners

Dedicated network scanners make it easy for your workgroup to efficiently scan and share stacks of 2-sided documents, as well as rigid ID cards, documents up to 8.5" x 240" and more. Enhanced performance features, PC-free scanning capabilities and simple, dedicated presets make these network models perfect for businesses that value security, dependability and speed.

Workgroup/High-Speed Scanners

Designed with ultra fast speeds, larger ADF capacities and higher duty cycles, these high-efficiency workgroup scanners make it easy to take on any project with world-class performance. Choose from standard and large-format desktop models to quickly digitize 2-sided documents, folded pages, plastic cards, sealed envelopes, passports and more.
